**IMPORTANT INFORMATION CONCERNING EXPIRED AUTO LICENSE  
PLATES AND INSPECTION STICKERS**

FOR ALL OWNERS, RESIDENTS AND GUEST

Sudley Place is sending out this notice to all owners, residents, and guests of Sudley Place Townhomes. It is the responsibility of the owner and/or renters to inform their guests of our parking regulations.

To comply with the Prince William County Code of Virginia, Title 46.2-Motor vehicles, we have given Prince William County parking enforcement the approval to drive through our complex. The PWC parking enforcement will be ticketing vehicles with expired license plates and/or inspection stickers. Please note any vehicle with a Virginia license plate must have them on the **front** and back of the vehicle. You can be issued a ticket for a missing front plate if two plates are required. **See section 46.2-715. Display of license plates, Code of Virginia.**

Due to the use of illegally purchased temporary tags, they will help with the monitoring of vehicles re-purchasing temp tags to avoid having to purchase permanent plates.

**IMPORTANT!** The ten-day notice in our parking regulations pertains only to TOWING the vehicle. If the tow company or parking enforcement volunteer stickers a vehicle with a 10-day notice, that means if your vehicle's license plates or inspection sticker are still expired after the 10-day notice, you are in violation of the parking regulations and your vehicle can/will be towed. **THIS REGULATION DOES NOT APPLY TO PWC PARKING ENFORCEMENT AND THE ISSUING OF TICKETS. THERE WILL BE NO NOTICE BEFORE A TICKET IS ISSUED!**

**WARNING!** Due to the number of vehicles parking past the "No Parking" signs at the Copeland/Remington entrance, PWC parking enforcement will be monitoring that entrance. It is dangerous to park beyond the "No Parking" signs, as the vehicle(s) block the views of the vehicle trying to pull out of Sudley Place onto Copeland. Please abide by the street signs.

All vehicles parked on the Sudley Place complex must have valid state license plates and a valid inspection sticker if that state requires one.

Your cooperation is greatly appreciated.
